

## Legion To Assist Service Men

### May Obtain Mustering Out Forms At Post Headquarters

Arrangements have been made so that discharged soldiers will be able to get applications for their mustering out pay at the American Legion room of Harold D. Speakman Post in the Community Building, Narberth.

The Legion room will be open for this purpose on the second and fourth Tuesdays of every month at 8 P. M.

Service officers Frank C. Challenger and James E. Toland, Jr., are in charge of assisting the discharged service men and women. If the Legion Room is not open assistance may be obtained by going to Challenger's home at 281 Montgomery Ave., Bala-Cynwyd, or to Toland's home at 210 Wayne Ave., Narberth.

When service men make application Challenger said they should have their honorable discharge papers or certificates of service with them.

According to the service classifications the applications are to be sent to the following places:

For the enlisted personnel of the Navy and Coast Guard—to the Branch, Bureau of Supplies and Accounts, Cleveland, Ohio.

For the Marine Corps, officers and men—to the Commandant of the Marine Corps at Washington, D. C.

For the officers of the Navy and Coast Guard—to the headquarters of their respective services at Washington, D. C.

For the officers and enlisted men of the Army, including the Finance Officer, U. S. Army, Commander of Commerce Building, Washington, D. C.

Challenger cautioned that if the men forward these applications instead of the Legion they should be sent by registered mail with a return receipt requested.

## 8500 Girl Scouts Give Blood Pledge

### To Obtain Donations From Their Elders

Girl Scouts of Philadelphia have adopted a program of vital importance to every American who is aiding the war effort, or who has a relative or friend in the armed forces. The 8,500 Senior and Intermediate Girl Scouts of Philadelphia, Eastern Montgomery and Main Line districts have pledged themselves to obtain from their elders, a minimum of one blood donation, to assure the American Red Cross of fulfilling its 1944 quota of five million pints of blood for the armed forces, a quota which may at any time be increased, if the needs of the Army and Navy should exceed present calculations.

The drive of the Girl Scouts for blood donors opened last Friday, with 40 members of the adult Council.

Following the donations of their adult leaders, there will be eight district meetings with troop leaders, between February 16th and March 1st.

The leaders and council members who donated on Friday, came to the Blood Donor Center, 1424 Walnut St., in uniform, at the close of the Council meeting which was attended by representative of all districts of the Girl Scouts of Philadelphia.

Main Line women in this group were Mrs. Samuel H. P. Read, 95 Windsor Ave., Narberth, and Miss Elsie C. Mohr, 210 Kent Rd., Ardmore.

## Pupils Enlist For Clothing Crusade

### Residents Asked To Bring A Bundle To The School

Pupils of the Narberth School have enlisted for the Children's Clothing Crusade which will be held in the Borough on February 23, 24, and 25.

The Crusade is being sponsored by the Junior Red Cross.

In announcing plans for the Crusade W. J. Dennen, head of the Narberth School said:

"You are invited to bring a bundle of clothing, wrapped in paper, to school, February 23, 24, 25. It will be collected and immediately shipped for distribution to both the Southern Mountains and Britain to meet the clothing need.

"All kinds of CLEAN, USABLE, clothing will be helpful. High heels, shoes and more elaborate dresses, if given, can be sold and the proceeds used to purchase needed shoes, overalls and sweaters; or to provide essential welfare service to the children. Please do not donate mattresses or rugs. Blankets and all sorts of warm clothing will help greatly. An old coat will keep a child warm. A pair of sturdy shoes—new or used, but in good repair—may save some child's feet from frostbite; please tie the laces together. Even a small bundle will help. Adults' clothing can be cut down for the children by our mountain mothers' groups. Golf and sport shoes are useful.

"Remember the date to bring the bundle, wrapped in paper, to the school."

## War Film To Be Shown At Legion

An official War Department motion picture will be shown at the meeting next Tuesday night of the Harold Speakman Post, American Legion, Narberth. The meeting begins at 8 P. M.

Invitation has been extended to all service men, home front or discharged, to attend.

R. C. Rollins, commander, will preside.

## Women Lead In Blood Donation

The blood donor committee, reports that the Main Line Branch has established its own "Gallon Club" during the recent Blood Donor week at the American Red Cross Center, Ardmore.

Mrs. Samuel H. P. Read, Jr., Narberth, heads this "honor roll" with 11 pints given; Mrs. Richard Groscholz, Ardmore, is next with 10 pints, and Mr. Elwood Hurlford, Narberth, and Brother Joseph, Villanova Monastery, Villanova, donated his eighth pint on last Wednesday and has already registered for another donation in May.

## Red Cross Given \$510,000 Quota

### Goal Is \$200,000 More Than Assigned For Last Year

Facing a \$510,000 quota, largest in its history, the Main Line Branch of the American Red Cross will lay preliminary plans for its 1944 War Fund drive at a meeting of all workers Friday evening, February 25.

The meeting, first of a series of pre-campaign events scheduled on the Main Line and in the city, will be held at the Red Cross Center, Ardmore, and will begin at 8 P. M. All Branch officials and War Fund majors, captains and workers are expected to be present.

Frederick W. Dreher, President of the Suburban Company and chairman of the Main Line's War Fund drive, will preside.

Chairman Dreher, in announcing the quota this week, emphasized the importance of the drive to workers and contributors. The quota, he pointed out, is \$200,000 greater than last year, and no effort must be spared in trying to reach it.

Realization of the drive is the responsibility of the part of the workers, and an understanding of the tremendously important work they are advancing on the part of the contributors, are the two chief factors that will put us over the top," said Dreher.

Program of the February 25 meeting will include a talk by Benjamin Rush of Bryn Mawr, a member of the Philadelphia War Fund Committee, a movie entitled "The Seven Selling Keys To Red Cross Contributions"; and a brief period of instruction for workers by Mrs. Charles H. Steel, Wynnewood.

On Red Cross Sunday, Main Line Churches will also observe the day and herald the forthcoming drive through special sermons, announcements and pennants.

On Wednesday, a giant parade in Philadelphia will again find Main Line workers participating. The Ardmore meeting Friday night, the Philadelphia rally Sunday and the parade are all aimed at inspiring and instructing workers and officials for the campaign that opens March 1.

Following up these events, the Main Line Branch will officially launch its own drive at a luncheon March 7. This will be held at the Red Cross Center, and will be the opening gun in the local campaign. Details will be announced later.

## McGorry Brings Down Nazi Plane

### Fight Occurred Over Piraeus Harbor In Greece

Staff Sergeant Charles L. McGorry, Jr., 20-year-old AAF-1 Flying Fortress, was shot down on 108 Convent Ave., Narberth, has been credited officially with destroying a Messerschmitt 109 fighter plane in the skies over Piraeus Harbor in Greece January 11.

McGorry's victory—his second in aerial combat—was verified by another member of his bomber crew who saw the fighter crash on the ground.

The enemy plane attacked from the left of our ship, boring straight in," McGorry said in describing the air battle.

"I opened fire when he was 600 yards and held down on the trigger until he was within 200 yards, and he went down in flames," McGorry said.

The gunner is the son of Mr. and Mrs. Charles McGorry, Sr., of the Narberth address.

## Lower Merion High Wins Section One Title But Loses Gitch Stuart For PIAA Tournament

There is considerable joy, but a touch of sadness, too, among Lower Merion High's basketball followers today.

Lower Merion again is king of all its surveys in Section One of the Suburban Conference and for the sixth straight year has the honor of competing in the state PIAA tournament. The first phase of this tournament—the District One eliminations—gets under way today, but the Maroon fans are unable to look forward to these playoffs with the usual confidence.

That's because Gitch Stuart, the slim 6-foot-4 center, started active service with the Army Air Corps Wednesday and his loss is expected to put the defending champions at a disadvantage in the post-season play.

Stuart was given a farewell ovation by the 1800 fans assembled in Downs Gym Tuesday night when he left Lower Merion school.

Charles F. Frizzell, Jr., Officer in Charge, WAC Recruiting, Philadelphia District.

Qualified women between the ages of 20 to 35, inclusive, will be assigned directly to the hospital for basic training at Ft. Oglethorpe, Georgia. Such enlistments are part of a program designed to give new recruits an opportunity to select jobs as well as stations in which they desire to serve.

## Please Be Nice to Your Garbage Man

### ---They're Scarce, The Borough Warns

Good garbage collectors are at a premium these days and Narberth Borough intends to hold on to her man even if they have to don kid gloves for the duration of the war.

He is Sydney J. Wallace, lives near Conshohocken, and is doing a "generally satisfactory" job, according to a report made by Robert Garmon, chairman of the water, light and health committee of the Borough.

Since January 17 a record of complaints has been kept in the Borough office which reveals more complaints about the garbage men than about the water, light and health committee.

He is keeping an eye on the collector the committee reported they were deducting \$50 off the former collector's bill because he failed to make proper collections during December of 1943.

Also they announced the following schedule was in effect:

Mondays and Thursdays: the area bounded by Montgomery Ave., Narberth Ave., Haverford Ave. and Wynnewood Ave.

Tuesdays and Saturdays: the area east of Narberth Ave., bounded by Montgomery and Haverford Aves. and all the South Side.

## Apartment Tenants Tangle Over Leases And Leases

At this point the 30 canine residents of the Wynnewood Park Apartments and their owners, plus the management, are all tangled up in their leases and leases.

Miffed at the way some of the tenants are unleashing their dogs through the corridors, the management last week notified owners of the pets that they were going to enforce the no-dog clause of their leases. He hinted on their either getting rid of the dogs or else.

Realization of the drive is the responsibility of the part of the workers, and an understanding of the tremendously important work they are advancing on the part of the contributors, are the two chief factors that will put us over the top," said Dreher.

Program of the February 25 meeting will include a talk by Benjamin Rush of Bryn Mawr, a member of the Philadelphia War Fund Committee, a movie entitled "The Seven Selling Keys To Red Cross Contributions"; and a brief period of instruction for workers by Mrs. Charles H. Steel, Wynnewood.

On Red Cross Sunday, Main Line Churches will also observe the day and herald the forthcoming drive through special sermons, announcements and pennants.

On Wednesday, a giant parade in Philadelphia will again find Main Line workers participating. The Ardmore meeting Friday night, the Philadelphia rally Sunday and the parade are all aimed at inspiring and instructing workers and officials for the campaign that opens March 1.

Following up these events, the Main Line Branch will officially launch its own drive at a luncheon March 7. This will be held at the Red Cross Center, and will be the opening gun in the local campaign. Details will be announced later.

## Policeman Added To Narberth Force

Narberth has hired another policeman to assist in the patroling of the Narberth Borough Council, Monday night.

He is Jacob MacKewan and his present home is Ardmore. MacKewan passed all the tests submitted to him by the Narberth Borough Police Civil Service Board except on the age limit. MacKewan is 38 years old but members of the board decided to waive that.

## Shortridge Tract Open for Gardens

### Narberth Man to Receive Applications For Plots

Permission to use the upper plot on the Shortridge Estate, off Wynnewood Rd. in Wynnewood has been obtained by the Lower Merion Victory Committee.

This announcement was made by Guy D. Bailey, 30 Narbrook Park, Narberth, who is assigning to individual gardeners the smaller plots in which the land will be sub-divided.

Many of the gardeners who had plots in this tract last year," said Bailey, "have signed up again for 1944. There are, however, some vacant lots available."

Those interested in securing a plot in the Shortridge tract should communicate with Bailey at his Narberth address.

The Shortridge land was plowed several months ago.

Announcement about the Shortridge tract is one of the first signs of Spring planting activity under the direction of the Township's Victory garden committee.

Concurrently with this news Mrs. Owne J. Toland, chairman of the committee, also announced this week:

"The plan for assigning gardens is now in operation and persons so desiring may make application at the Victory Garden office in the Township Building at Ardmore. Diagrams of all the plots are available. The number of plots is 125. Upon the payment of a plying charge the applicant will be assigned a garden as near his residence as possible."

## Autocar To Start On Reconversion

### Washington O.K's Order For 2,700 Heavy Duty Trucks

The Autocar Company of Ardmore has received the green light from Washington to go ahead with the manufacture of 2700 heavy duty trucks for civilian use.

This order, which means a start on partial reconversion, represents 50 per cent of Autocar's prewar output.

Autocar is geared for an easy changeover from military to civilian production. Two months after Pearl Harbor Autocar had used up the last of its materials on hand for civilian-ordered trucks and plunged into a swelling stream of military and naval contracts—

for trucks.

Prewar Autocar was primarily a manufacturing concern. Military contracts had been placed on assembling, but the engine, transmission and rear-axle parts went right onto the Autocar production lines without important change.

The Navy ordered the same kind of trucks Autocar had been building all along.

Autocar, unlike many other big industries, had no warehouses jammed with sheet-covered tools, laid away until peacetime production could be resumed.

The firm's foresight and good fortune is paying off now. Autocar will have little to do; it will be building the same product. Most important of all, Autocar has three general contracts for three types of military vehicles. The contracts aren't likely to expire in the near future. As fast as production line is needed of military trucks, the urgent civilian vehicles may be moved in.

Autocar has the priorities; it is lining up the materials and getting ready for the first of its cleared production orders. Postwar reconversion may be an old story to Autocar before the war's decisive battles are fought.

Lower Merion closes its league campaign at Norristown Friday and if victorious will have the distinction of being undefeated in its league for the consecutive years. The victory over Upper Darby was its 36th straight in league competition. A game with Valley Forge here a week from Friday will conclude the regular season.

The Maroon closed the victorious league teams in the suburbs meet at Norristown next Wednesday to decide the draw and places for the District One playoffs.

## Help For Making Out Your Income Tax

Deputy collectors of the Office of the Collector of Internal Revenue will be at the Ardmore branch of the Pennsylvania Company, 7 E. Lancaster Ave., for six days—February 23, 24, 25, 26, 28 and 29 to assist citizens with their income tax returns and to accept income tax payments. February 29 will be the last date on which collectors will be in Ardmore during the income tax period of this year.

## Appropriate \$1500 To Test Cattle

An appropriation of \$1500 to defray expenses incurred in a program of testing dairy cattle for tuberculosis was authorized by Montgomery County Commissioners Foster C. Hillegass, Fred. C. Peters and Raymond K. Mensch following a meeting Monday with the Montgomery County Bovine Tuberculin Testing Committee.

Sponsored by the Bureau of Animal Industry of the State Department of Agriculture, the testing program will be carried out in Montgomery County this committee in cooperation with R. G. Walz, county farm agent.

Allan Myers, Worcester Township, is chairman of the Tuberculin Testing Committee, whose other members are Arthur Landis, New Hanover, secretary and treasurer; Elmer Pennacker, Upper Providence; George Horrocks, Lower Providence, and Rufus Boyer, Upper Potomac.

Veterinarians doing the actual testing work will be paid by the State while the County has agreed to pay for transportation, insurance and supplies.

The work has been started in Upper Hanover Township and is expected to be completed in about a month.

## Plan Recreation For Teen-agers

### Community Project Being Organized by Narberth Clubwomen

A recreation center is being planned for teen age boys and girls in Narberth.

The idea originated as a project of the "Community Workshop," a scientific social service course sponsored by the Montgomery County Federation of Women's Clubs and given by Penn State.

Mrs. Samuel H. P. Read, Jr., delegate from the Women's Community Club of Narberth to the Workshop, and her alternate, Mrs. Harry Watts, assisted by Mrs. Alan Cutbush, have held meetings at Mrs. Watt's home to organize the project.

In a report to the Women's Club this week, Mrs. Read stated that a committee of all Boy Scout organizations is being formed and that 15 girls in their twenties have been chosen as a nucleus.

The girls wish to be identified, "The Servicos Club."

This group will act as big sisters to the teen age group, and the activities will be chaperoned by members of the Senior and Junior Women's Clubs.

The first dance for the older group is scheduled for February 26 in the American Legion room of the Community Building.

On March 4, the Cinderella Club of teen age girls will have its first meeting with the older girls assisting.

Officers of the Servicos Club are: Lois Schenck, President; Dorothy Allen, Vice President; Betty Ridge, Secretary, and Betty Meyers, Treasurer.

Other members are Jane Enginger, Betty Jane Orr, Marjorie Mattoon, Peggy de Woele, Jane Falkenhagen, Margaret Lozier, Agnes Compton, Shirley Vincent, Kitty Krauskop, Sue Austin, and Betty Chain.

## Library Party To Be In March

The Ardmore Free Library's circulation for January was 4,624 books. This was an increase of 367 books over January of last year. There were 104 new borrowers, and 133 new books.

At the recent meeting of the library board, plans were made for a library birthday party which will be held in March.

I've enjoyed receiving my copy of "Our Town" each week ever since you started sending it to me. Once again I have changed my station, so I wish you would note my change and send my papers sent to Asheville, N. C., in the past.

My younger brother Bob's new address is as follows so you can also change his mailing address at the same time.

Pvt. Robert S. Bailey 13120441  
620th T. S. S.  
Traux Field.  
Madison, Wisconsin  
Give my regards to all the folks at home and thanks again for keeping "Our Town" coming to me.  
Guy D. Bailey, Jr., 1st Lt. A. C.

## Ardmore Fire Co. Purchases \$5,000 In Bonds

### MERION LEADS ALL OF THE SECTIONS

Exceeding its quota by more than half a million dollars, the Lower Merion-Narberth District reported total sales of \$5,668,348.51 in the Fourth War Loan Campaign which ended Tuesday.

It was announced that all sales of Series E, F and G bonds made on or before February 29 will be counted in the Drive.

The Lower Merion-Narberth total also will be subject to a reduction of approximately \$400,000 when the official compilation of sales is made since that is figured at sales prices and not maturity values. Even with that reduction, the District will still be over its quota of \$5,000,000.

With the exception of the Auto-Car Company's subscription of \$2,000,000 and a half dozen sales of \$100,000 and up, all bond subscriptions in the district were for smaller sums. A total of 4755 subscriptions were reported for the District yesterday.

Among recent sales was one of \$5,000 purchased by the Merion Fire Company of Ardmore.

When the official compilation of sales is made, certain sections and some additional reports of sales are expected.

Merion led all sections of the Township and Borough in both the number of subscriptions and the total of sales with 880 subscriptions amounting to \$592,704.

The sale of "E" bonds in the Lower Merion-Narberth District totaled \$1,145,000. The "F" bonds amounted to \$186,550.

James A. Lynd, District Chairman, said:

"I want to extend my thanks and appreciation to all the district members who have helped in this drive. The efforts of all workers and solicitors would have been in vain."

Assisting Lynd as vice chairman for the District were James J

## Three Receive Temple Degrees

Three Main Line girls were among the students of Temple University who received degrees at the mid-Winter commencement and Founder's Day exercises held Tuesday.

The degrees were presented by Dr. Robert Livingston Johnson, president of the University. They were Eleanor H. Hofmann, 207 Barrie Rd., Narberth, who received a master of arts degree; Doris Kohn, 311 Woodside Ave., Narberth, who received a bachelor of music degree; and Catherine E. Babcock, 11 St. Asaph's Rd., Bala, who received a bachelor of fine arts degree.

## Sorry He Slurred The Red Cross

A "W" mail letter to Mrs. E. Adourian, 1316 Wynate Road, Wynnewood, from her brother, Sgt. T. McKinnill, follows:

"I've made some slurry remarks about your Red Cross and I'm sorry I did now, for I certainly talked out of turn. They've been very, very generous to us over here, giving us many gifts and luxuries we would find it impossible to get and so hard to do without. I wanted to tell you this because I know how hard you have been working for them."

Back the Second Front on the Home Front—Buy War Bonds.

## The WAR and YOU

## REMINDERS

Gasoline—In 17 East Coast states A-9 coupons are good through May 8. In states outside the East Coast area, A-10 coupons are good through March 21.

Tire Inspection Deadlines—For A-coupon holders, March 31, and for B and C coupon holders, February 28.

Sugar—Stamp No. 30 in Book Four is good for five pounds through March 31. Stamp No. 40 in Book Four is good for five pounds of conning sugar through February 28, next year.

Shoes—Stamps No. 18 in Book One and No. 1 on the airplane sheet in Book Three are each good for one pair.

Fuel Oil—Period 3 coupons are good through February 21 in the South and through March 13 in all other areas. Period 4 coupons are good in all areas through September 30. Period 5 coupons are good in the Middle West and South and remain good through September 30.

Meats, Fats—Brown stamps V, W and X are good through February 26. Brown stamp Y becomes good February 13 and remains good through March 20. Waste kitchen fats are redeemed at two ration points plus four cents a pound.

Processed Foods—Green stamps G, H and J in Book Four are good through February 20. Green stamps K, L and M are good through March 20.

Income Tax—March 15 is deadline for filing returns. Earlier filing is desirable.

## RECORD EGG CROP EXPECTED

Three out of every four eggs to be produced in 1944 have been allocated to civilians, the War Food Administration announced. An anticipated supply of eggs this year, possibly exceeding 61 billion, is based on the potential production of the greatest number of laying hens on record in the United States.

## AUTOS, BICYCLES, TIRES, GASOLINE

February quota of new passenger automobiles is 10,000, two-thirds of the January quota, and of new bicycles is 7,500, one-half the January quota. The Office of Price Administration has announced. Except for a decrease of approximately one-fourth in the number of used and reclaimed (Grade III) passenger tires, February quotas for tires and tubes are about the same as for January. Essential truck operators in areas where tire recapping facilities are inadequate or unavailable may obtain a ration certificate permitting them to exchange with dealers a tire which needs recapping for a used tire or a new "war" tire. Automobile drivers hereafter will find that the purpose for which they drive, rather than the distance they drive, will determine their eligibility for tires. Motorists may now use indelible pencil as well as ink to write their license numbers and state of registration on each gasoline coupon. Motorists must now present their tire inspection records when applying for special gasoline rations.

## LABOR NEEDS OF AGRICULTURE

The largest single increase in total labor requirements is the seasonal demand in agriculture, according to a recent War Manpower Commission survey of the nation's manpower needs for the first half of 1944. Between January and July about 3.4 million persons will be needed for farm employment. The bulk of this labor will be supplied by women and young persons.

## MORE RAISINS AND LESS CHEESE

An additional 54 million pounds of raisins from the 1943 pack is being released for U. S. civilian use, by WFA. This action makes 336 million pounds of raisins released to civilians from the 1943 pack. Cheese supplies in 1944 will be divided so as to make available for civilians about four pounds per capita, or one pound less than they received during 1943. About five million more pounds of cheese have been allocated to U. S. servicemen than they used last year, an increase necessary mainly to provide milk nutrients for the larger number of soldiers overseas.

## CONSIDER USE OF WAR PRISONERS

Possibility of using prisoners of war in farming and industry in U. S. areas were free labor is not available have been studied by representatives of WMC and the War Department. Limited use of prisoners on farms was begun last Summer. The employer is required to pay the wage prevailing in this community, and the prisoner gets credit of 80 cents a day for personal expenditures, the remainder going to the Government for camp maintenance.

## ROUND-UP

WFA says dairy payments at present rates will be continued up to February 17, and beyond that they will depend upon congressional action. . . Cider vinegar will cost approximately three cents a quart more at retail—a 20 per cent increase—under a new OPA regulation to compensate processors and packers for increased raw material costs. . . Local rationing boards may now issue an interim coupon sheet enabling a consumer to buy fuel oil while OPA investigates the loss of theft of his ration sheet. . . Retail prices increases per pound of three cents for sea scallops, five cents for lemon sole round, and 16 cents for lemon sole fillet are expected as a result of wholesale price increases allowed by OPA. . . Manufacture of 400,000 aluminum pressure canners, one size holding seven one-quart glass jars, and another size holding 14 one-quart jars, has been authorized by WFA, provided there is no interference with munitions manufacture. . . To increase horse collar production, WPB has issued special instructions to manufacturers to bring about the increase. . . Civilians will get slightly more edible fats and oils products per person in 1944 than they had on the average in 1935-39, according to WFA. They will get slightly less of butter, however. . . OPA predicts a larger supply of lower-priced rayon knit garments and lower prices or better quality for such garments. . . Rather than make loans for purchase of farm land at inflated prices, Farm Security Administration county committees have been instructed by FSA to turn back their money. The action was taken to insure that the program will protect applicants from acquiring land debts that would ruin them later on. . . Maximum prices for producers' sales of the 1944 broomcorn crop will be the same as for the 1943 crop. \$300 a ton for "shed-cured" broomcorn and \$250 for all other broomcorn.

## STRIPED DASH

## Academy to Hold Open House

The Academy of Notre Dame de Namur, situated on the former Geist estate, Sprout Rd., Villanova, will be open to the public for inspection Sunday, February 20. The high school department from West Rittenhouse Square, Philadelphia, has been located there since late December.

Preparations are nearly completed for the opening of a kindergarten within a few weeks. The attractively arranged rooms, with their modern school equipment and dainty pastel curtains, have evoked exclamations of delight from visitors. The primary and grammar grades will be ready for classes in September, and will be known as Notre Dame Country Day School.

Parents wishing to enroll their children on Sunday, February 20, may do so.

## NARBERTH SCHOOL NEWS

Two Faculty-Varsity basketball games have been held at Narberth Public School in the gym. The first game was held January 18 and the second January 27.

Winner of the first game was the faculty, the score being faculty—30, varsity—6. Scores on the faculty team were Mr. Shank, with 18 points, Mr. Cappalonka, 8 points, and Miss Fritsch, 4. Others on the faculty team were Miss Green, Miss Long and Mrs. Hunsicker. Members of the varsity team scoring were Jim Whitmoyer, 2 points; Jack McHale, 1; George Mehl, 2, and Donald Shaver, 1. Thirteen boys were put in the game by Miss Green, the varsity's coach, as this was their first practice game.

Faculty members also won the second game, although this time it was closely fought. The score was faculty, 20; varsity, 18. Faculty team members were Mr. Shank, who scored 7; Mr. Cappalonka, scoring 7; Miss Fritsch, scoring 6 points; Mrs. Thompson, Mrs. Hunsicker, and Miss Dell. Boys on the varsity were Bill Lillis, who scored 4 points; Bennett, who scored 4 points; Scorzetti, scored 8 points; Bristol, Williams, Mehl, Thaw, Whitmoyer, Dick Blessing, and Hutton.

Many pupils and teachers came out at both games and cheer leaders led the school cheers.

On February 5 a basketball game between Narberth and St. Margaret's was held at Narberth School. Narberth was victorious having 27 points to St. Margaret's 13 points.

## New Industrial Highway Opened

## Relieves Traffic Bottleneck Between Phila. And Chester

More than a quarter of a century of campaigning by Delaware County officials, industrialists and residents bore fruit Thursday afternoon when the first link of the four-lane Industrial Highway between Philadelphia and Chester was opened for traffic.

The new section cost a million and a half dollars and will benefit approximately 50,000 war workers who travel from Philadelphia to industrial plants along the Delaware River.

County, State and Federal officials took part in opening ceremonies that were planned by the Delaware County Chamber of Commerce, Judge Albert Dutton MacDade of Delaware County Court, who as a State Senator in 1923 introduced a bill authorizing construction of the highway, cut a ribbon with a pair of engraved shears. Opening the highway relieved a bottleneck that has caused traffic jams almost daily lasting from 15 to 40 minutes.

Cost of the Industrial Highway is being borne by the Federal Government and State. Delaware County was freed from any expenditures when State Representative Arthur P. Bretherick, now county register of wills and chairman of the Republican County Committee, introduced a bill in the 1943 session of the State Legislature relieving the County of condemnation costs amounting to more than \$100,000.

The section of road dedicated is 1.38 miles long and includes bridge over Crum Creek as well as the Darby Creek span. Motorists were using narrow and rough back roads to go from Philadelphia to Chester.

Completion of the highway

**BRIEF**  
THE BELL TELEPHONE COMPANY OF PENNSYLVANIA

## Restoration of Telephone Service Ends Two Equity Actions Here

Restoration of telephone service to two Lower Merion business places where it had been withdrawn or threatened to be withdrawn, resulted in termination of two equity actions which had been started in Montgomery County Common Pleas Court.

The withdrawal of the service came after a number of raids on alleged gambling establishments. At the restaurant of Thomas Kohletas, Lancaster Ave., the telephone was removed despite the fact Thomas was never arrested in connection with the horse betting activities in the township. His brother, Charles, who operates a taproom in an adjoining communications building was arrested and last week was convicted on a charge of permitting persons to assemble for gambling purposes.

Attorney H. Joseph Harrison filed an equity action on behalf of Thomas Kohletas but before the hearing was held it was proven that Thomas had no connection with the gambling and the company voluntarily reinstated the service.

At the Bryn Mawr Confectionery Company the company threatened to remove the pay station telephone for the same reason. In that instance Michael Grezor, Upper Darby, manager of the place, was acquitted of the charge by a directed verdict of the court. As a result the company agreed to permit uninterrupted use of the telephone.

In the meantime, however, the telephone company through Attorney Franklin L. Wright, had filed an answer to the equity actions, questioning jurisdiction of the local courts in the matter, contending it was a question for the Public Utilities Commission to decide. This, however, also has been withdrawn.

**Relief Payments**

State Treasurer G. Harold Wagner reported that direct relief payments made to needy residents of Montgomery County during the past week show an increase of \$1.90 over those of the previous week.

Payments for the week totaled \$63120 which was \$19120 more than those of the comparable week of last year.

**CANADIAN MANUFACTURING**

Among Canadian provinces, British Columbia ranks third in manufacturing; Ontario and Quebec are the only two provinces which exceed in gross value of output.

APPLY at the nearest U. S. Army Recruiting Station (your local post office will give you the address). Or write: The Adjutant General, Room 4415, Munitions Building, Washington, D. C.

## WOMEN'S CLUB NOTES

**Narberth Club**  
Friendship with America is believed by the Russians to be the best cornerstone for permanent peace. Thelma Neuenberg, American Correspondent for the largest women's publication in Russia told members of the Narberth Club Tuesday.

"The Russians want peace," she declared, "so that they can finish what they have started to do."

Nowhere in the world have I met women like the Russian women. Seventy-six percent of the doctors are women; women, even in their stivies, lend to the tractors, make ammunition, mine coal, in order to be able to take over men's jobs when Germany invaded Russia."

Mrs. H. C. Middleton, Jr., president, and Mrs. Ellsworth Clark, introduced the speaker. Hostesses were Mrs. E. S. Duerber, and Mrs. A. C. Schwabenland. Mrs. H. F. Stevens and Mrs. William Wren poured.

**Narberth Juniors**  
At the February 17 meeting of the Junior Women's Community Club of Narberth, Florence Myers Poad, noted pianist, will appear. The event is scheduled at 8.15 in the Community Building.

Mrs. Poad, who has had thorough orchestral experience over the United States and Europe, will play "The Swan" and "The Swan's Place in Music." In addition to teaching and writing in which she is now engaged, a great part of her time is devoted to entertaining soldiers at the Door Canteen. Mrs. Poad's piano-

## HIGH NOTES

By DAVID MALICKSON  
Class of 1945, Lower Merion High School

**Revised Time Schedule**  
A new time schedule has been inaugurated at Lower Merion for the purpose of specializing the six school periods. Previous to this revision, the fourth period was ten minutes longer than the others—due to the lunch shifts—and the third and fifth periods were shorter. The new system "evens up" all six periods with the exception of the fourth which is one minute longer. This new schedule allows for a half hour each Friday morning for conferences between the home room teacher and pupils. Also during this half hour the Student Council will meet in the small hall. By permitting the Council to meet during school hours it is hoped that the attendance at the meetings will improve.

In accordance with the new routine, "every day" arithmetic will be taught during a portion of the fourth period. It has been felt that a review course in the fundamentals of arithmetic has been enough stressed for quite some time. It is further proposed that if enough students wish it, a spelling course will be substituted for the math during the fourth quarter.

**Pre-Induction Courses**  
It has been announced by Mr. Russell McGrath, that two pre-induction courses will be offered by the technical school if a sufficient number of pupils show interest towards forming classes. The two courses, fundamentals in electricity and fundamentals in motor mechanics, will be held during two hour sessions twice weekly after school hours. No credit towards graduation is given for either of these subjects.

**Cafeteria Announces New Plan**  
In conjunction with the announcement made by Miss Violet M. Zimmerman, school lunchroom manager, that only 1-3 per cent of pupils are either buying or bringing to school substantial lunches, the remaining 66-2-3 eat a lunch of ice cream, pretzels, candy and other insufficient foods needed for the building of strong bodies—the cafeteria will feature a well balanced lunch for the nominal charge of twenty cents. This luncheon will consist of meat, or meat substitute, two vegetables, bread, butter, and a half pint bottle of milk. Many students do not realize that a lunch of ice cream and candy leads in later life, to decayed teeth and poor health. It is of utmost importance to the student, as well as to the country, to keep physically fit, especially in war time.

**Bond Drive at L. M.**  
Students and faculty members had the rare experience of hearing veterans of the World War II talk of their exploits while helping to defend America's and all other nations' freedom. Daniel S. Skelly, one of the chairmen for the Fourth War Loan Drive in Montgomery County, introduced PFC. Albert Chencoski. His job, while attached to the First Armored division, was to remove obstacles such as "booby traps" which might hamper allied landing troops. Returning to America after 15 months overseas, he was amazed to learn that Americans still had ice cream and other such luxuries, for over there—on Christmas Day, they had cold "C" rations, contrary to reports they were served turkey dinners.

Next speaker, introduced by former public prosecutor of Montgomery County, Attorney John E. Quinn, was a former resident of Narberth, a fellow who had participated in 58 missions. Bombardier Jimmy England. He told of the many horrors of war he had seen during the invasion of North Africa. One being: the time he went out to his friend's ship which had just landed after completing a mission, to find his pal's body severed in half by a projectile. He stated that he wished he could show the American people what this war is all about without having to drop a bomb in their back-yard.

This special assembly was held on Friday, February 11. On Monday, February 14, it was reported that \$2,631.10 in Bonds and Stamps had been purchased by the students.

**Teachers Present Variety Show**  
Under the direction of Miss Major and Miss Thompson, twenty teachers will participate in a variety show to be held in the auditorium on February 23 at 2 P. M.

**FLASHES**—Some eighty Lower Merion students took the Army Air Corps test during the first three periods on February 9. Gitch Stewart, basketball star, left for the armed service last Monday. There will be no grade or high school sessions on February 22, Washington's birthday.

**Future Events**  
February 18 ..... Basketball, Norristown, away

February 26 ..... Revue Dance  
Win the War in '44—eat well balanced meals

## MEN AND WOMEN IN SERVICE

Pvt. William J. Newborg, son of Mr. and Mrs. William E. Newborg, 212 Woodbine Ave., Narberth, was a member of a class of soldier clerks who were graduated from the Armored School's Clerical Department at Fort Knox, Ky., last week.

Soldiers in the school are trained as clerks and typists to handle the office work of the army. They learn to keep military correspondence and handle payrolls. Men are sent to this unique school from armored divisions all over the country.

Sgt. Lewis H. Pugh of Narberth has been transferred from Salem, Oregon, to Camp Ritchie, Md.

Pvt. John H. Comiskey, Jr., son of Mr. and Mrs. John H. Comiskey, 448 Brookhurst Ave., Narberth, has been assigned to the Technical School, Army Air Forces Technical Training Center, Travis Field, Madison, Wis., for training as a radio technician. Upon completion of his training he will be fully qualified to take his place as a member of the Army Air Forces Base Operators Group or may become eligible for advanced specialized training. Before enlistment he was employed at the Sun Shipbuilding Co., Chester. He attended St. Joseph's High School.

Margaret Anne DiPasquale, Bryn Mawr, has been called to active duty. She is an Army Nurse and will report to Langley Field, Va.

Charles E. Hess, Ardmore, who served 22 months as a second lieutenant in infantry and infantry regiments in World War I, has been promoted to captain in this war. He is in a military police unit. Captain Hess is married and the father of a son, Sgt. Samuel H. Hess, who is serving at Fort Knox, Ky.

**Township Renews Salvage Effort**  
Waste Paper Now Being Sorted at Dump  
Haverford Township is putting forth every effort to aid in the special waste paper and prepared tin cans.

Residents should tie in bundles all newspapers and magazines and place on the curb with other trash on regular collection days. Place all prepared tin cans in a separate container and they will also be collected at the same time. Prepared tin cans may also be taken to the public grade schools where they will be collected by Township trucks.

The Township incinerator is not being used temporarily except at certain intervals to burn up some excess trash. All the paper is taken to the dump where it is gathered, baled and sent to paper mills.

The prepared cans are stored in a dry place until a freight car is placed on the railroad siding, then the cans are taken to the freight car and they go immediately to a refining plant. This means extra time and work for the township employees. Commissioners of Haverford Township have offered to cooperate.

Every citizen can aid in these collections by preparation of waste paper and tin cans.

**MEALS LIMITED BY LAW**  
A rationing system that prohibited anyone in the realm, regardless of what estate or condition, from serving more than two courses at any meal, was imposed by Henry VIII of England, who was limiting the serving of courses on feast days as an exception.

## ENGAGEMENTS

**Swartz-Birdsall**  
Mr. and Mrs. Alfred Wakelee Swartz, of Grays Lane, Haverford, announced the engagement of their daughter, Miss Elizabeth Carpenter Swartz, to Mr. Thomas Morrison Birdsall, son of Dr. and Mrs. Joseph C. Birdsall, of Booth Lane, Haverford.

Miss Swartz, a graduate of the Shipley School, is now attending Pine Manor Junior College, Wellesley, Mass.

Mr. Birdsall, a graduate of the William Penn Charter School, is now completing his pre-medical course at Haverford College.

**Mallery-Maxwell**  
Mrs. Nelson Blackstone Mallery, of Montgomery Court, Narberth, announced the engagement of her daughter, Miss Theresa Anne Mallery, to Corporal Ted, Bruner Maxwell, son of Mr. and Mrs. Harry Maxwell, of the Cambridge, Alden Park, Germantown.

## Girl Scouts Buy A Parachute For Every Troop

This was the goal set by the Girl Scouts for their part in the Fourth War Loan Drive. Girl Scouts of Philadelphia which include Main Line troops of District 8 have already passed and expect to double their goal.

A parachute costs \$65, and is the only thing that will save the life of a bombardier when he has been "bail out." With 326 Girl Scout troops in the Philadelphia area, "two parachutes for every troop" will cost \$42,380.

Within three weeks, \$17,000 worth of bonds and stamps were sold at the Girl Scout booth in Liggett's Drug Store, 1119 Chestnut Street. This booth, which opened with the drive on January 18, is the first mid-city booth to be manned by Girl Scouts and the first to be manned by children. Two girls represent a different troop each day under an adult troop bond chairman.

Troops 90 and 368 of Narberth; 35, 93 and 301 of Ardmore and 63 of Cynwyd have done an outstanding job in bringing the total to date for District 8 to over \$3,165. Mrs. Samuel H. P. Read of Narberth is in charge of returns.

## Girl Scout Skating Party

Girl Scouts of Main Line troops will gather for their annual ice skating party at the Ardmore Rink on Friday. The party is sponsored by the District 8 committee with Mrs. Charles S. Strickler of Merion in charge.

Miss Eva Thompson of the Philadelphia Skating Club and Haverford Society is arranging a program of exhibition skating. There will be two single exhibitions by Dawn Spencer and by Richard Button. The Philadelphia Junior

## WHITE FOR SUNTANS

Courtesy New York Dress Institute

Those going south are always warned to take something warm. One choice is the white wool jersey tailored suit, as shown, which goes smartly with gay scarfs and blouses, white or colored accessories, and a winter or untanned complexion. White wool jersey also makes the simplest of one-piece chemise dresses, buttoned like shirtwaisters down the bodice, or fastened captivatively, with tiny buttons down the entire length of one side. Cardigan jackets complete many of the ensembles, intended for cool days in winter's warm climates and for summer's invariable chills. The jersey weighs nothing at all, and, whereas it is as flattering as a new white linen, is a lot warmer. New York's cleverest designers use it unsparingly, appreciating its charm for evening as well as day and adding paillettes for night-time sparkle.

## A "Five-striper" Shows a "Two-striper" How It's Done

The power plant of a modern Army airplane requires lots of skilled attention. Here, an Army technical sergeant is showing a WAC Tec 5 the intricacies of the motor. As an Air Wac, it will be her job to keep it in perfect working order.

Four composed of Jane Lemon, Nancy Lemon, E. Newbold Black, 4th, and Charles W. Brinkman will give an exhibition of skating: there all six will give demonstrations of some of the ice dances. These skaters are all members of the Junior Club.

## WILLOWS SPROUT FROM BASKET

Weeping willows in England and North America owe their existence to a willow basket sent from Smyrna to England. The basket sprouted and grew into a fine tree on the banks of the Thames.

NATIONAL PRESS BUILDING WASHINGTON, D. C.

By Anne Goode

Washington hears there may be more items of the very scarce variety of home furnishings in 1941, such as, rugs, upholstery fabrics, bedding, refrigerators, stoves, irons. Furniture and lamps will continue scarce due to lumber and labor shortages.

Department of Agriculture forecasts these food shortages for 1941: bananas, fresh fish, corn products, canned fruit, milk and lentils.

Since eggs are now more plentiful, try this for one of your Lenten dishes. Spread 6 slices of bread with vitaminized margarine. Cube, half all individual casseroles and fry with milk. Bake in moderate heat oven until toasted. Top with stiffly beaten egg white. Bake the yolk in the center. Return to oven for 5 minutes.

You may have trouble finding space to store your winter coat when the time comes. Perishable food items will have priorities in commercial coolers.

Try covering the corners of your bed springs with adhesive tape to prevent sheets from tearing.

Price Administrator Bowles warns that truck tires, new automobiles and shoes will still be in the serious shortage class for 1941. Which reminds me, scientists say that by adding oily waxes to leather its lifetime is increased 40%. So give your shoes the oil's shindola and let it throw off the water and dirt.

There may be a slump in the quality of coffee, Brazil, a big supplier, wants to dispose of 5 million bags of left-over beverage beans before selling the new crop.

## COUNTY NOTES

Discussing the etymology and genealogy of Pennsylvania counties in the January issue of the bulletin published by the State Department of Internal Affairs, Warren J. Daniel, director of the Land Office, points out:

Montgomery County was the fifteenth county to be created, being established by an Act of the State Legislature on September 10, 1784.

Montgomery County, according to the article, was named for General Robert Montgomery who was killed at Quebec, December 31, 1775.

Montgomery's population in 1790 was 22,929 while in 1940 it had grown to 289,247.

A survey of tax rates of the 67 counties of the Commonwealth for 1943 made by the Department of Internal Affairs, shows that Montgomery County, with a total rate for County and Institution District purposes of one and one-half mills, was next to the lowest in the entire state. Butler County, a county of the sixth class, had the distinction last year of levying the lowest rate, one mill. Lancaster County was tied with Montgomery's, also levying a one and one-half mill rate. The average rate for the other counties in Montgomery's class (third) was more than six mills.

Pipe hand railings have been erected on the steps at the main entrance of the Montgomery County Court House as a safety precaution. It is planned after the war to replace the pipe railings with ornamental cast iron.

Dr. Frank P. K. Barker, county controller, was elected chairman of the board of managers of the Montgomery County House of Detention at a re-organization meeting. Sheriff Samuel M. Glass was elected vice chairman and Harold Gehlert, secretary. The board of managers consists of the county commissioners, controller and sheriff.

A treasurer's tax sale at which real estate on which taxes remain unpaid for 1939 and previous years will be held April 26, according to County Treasurer Edwin Winner. Approximately 500 properties will be offered for sale.

A total of 22,243 residents of Montgomery County are now serving the Country in the armed forces according to the revised figure just placed on the County service flag at the Court House.

## D.A.R. Meeting To Be Feb. 21

George Washington's birthday will be celebrated by the Dr. Benjamin Rush Chapter, D. A. R., at a meeting to be held February 21, in the home of Mrs. Eugene B. Hoskins, 504 Haverford Avenue, Narberth at 2 P. M.

Guest speakers of the chapter will be, Miss Hazel G. Glessner of York, Pennsylvania, State chairman of Approved Schools, Mrs. Thomas H. Lee of Roxboro, State Chairman of D. A. R. for Ellis Island, who will show moving pictures of the Island.

Assistant hostesses will be, Mrs. George R. Powell, Mrs. Roland C. Alexander, Mrs. Charles A. Hamer, Mrs. W. T. Pearce, and Mrs. Tishman S. Derry.

Mrs. John L. Miller and Mrs. Harold C. Fenno will preside at the tea table.

## 19 Soccermen Receive Letters

Nineteen soccermen received their letters and certificates on February 11 during the special bond drive assembly. Coach Richard Hill awarded the citations to the following:

Captain, Walter Lowmes, Joseph Sedule, William Sapp, Robert Healey, William Andrew, Wayne Blair, Albert Adam, John Wynne (captain for the 1944 season), Jack Burkholder, Hugh Kistler, Ralph DiGiovanni, Jerry Cooper, Charles Hardie, Thomas Brown, Ted Jannic, Jon Ross, William LaClair, James Billington, and James Stevens, manager. Because there is a delay in the order, the gold soccer balls will be awarded later in the year.

One of the outstanding features of Nazidom is the absence of any glimmer of compassion for a beaten foe.

## Bess Howard to Be Red Cross Speaker

The Upper Haverford Township Red Cross War Fund Campaign gets off to a flying start on Monday, February 21, with a dinner for its workers. The dinner will be served by the Canteen Corps and is being held in the Haverford Township High School.

Miss Bess Howard, who has recently returned from a trip abroad in the interest of Red Cross, will be the speaker. The program includes an up-to-date film on Red Cross activities.

The War Fund Committee consists of Mr. Victor C. Smith, Chairman; Mrs. E. B. Bishop, Vice Chairman; Residential; Mr. R. Abernethy, Vice Chairman; Special Gifts; Mrs. Thomas E. Huff, Vice Chairman Reporting; Mrs. M. Russell Wehr, Vice Chairman Publicity.

DAILY DOZEN

Prepared for the Local Health Board by the Medical Society of the State

Monday—February 14  
Who said, "What can an old man do but die?"  
Old age can be serene and bright and lovely. The process of growing old is inevitable. Chronological and physiological age are not the same. A person at seventy may be physically and mentally well. His neighbor of the same age, may be hopelessly senile. The organs in the body do not age at an equal rate. Heredity is the greatest single factor in longevity. A person may influence his life span to some extent. He cannot avoid the facts of his biological heritage. Environmental factors influence the aging process of man. Habits, hygiene, diet and medical care are factors.

Tuesday—February 15  
Old shoes are not tossed at the door when the new ones come. They are worn in these days of rationing. Old shoes are often cracked and hard from long usage. There may be a middle-arch spread and the shoes pinch. Corns and calluses are coming back. These are developed from pressure or friction. If the pressure is over a small area a callus results. There are two types of corns—hard and soft. Hard corns are usually on outer and upper parts of the toes. Soft corns appear between the toes where the skin is moist. Some infection is usually present with soft corns. When new shoes are available, be sure they fit.

Wednesday—February 16  
Do I have vertigo? No. I live just around the corner. That's not so funny, but neither is vertigo. Vertigo is a dizziness, a disorder of the equilibrating sense. Its most characteristic feature is a sense of motion. Most often, this sense of motion is rotary. Vertigo may result from disease of the middle ear. Or, from disorders of the heart, stomach, or eyes. Diseases of the brain may also cause vertigo. Nausea and vomiting often accompany vertigo. The eye mechanism plays a considerable part. As in far, train, airplane, and seasickness.

Thursday—February 17  
Three presidents have died of gunshot wounds. They were Lincoln, Garfield, and McKinley. Medical men did their best for these presidents. The surgical judgment was sound in each instance. Could they have been saved by present-day treatment? Modern treatment would have added new advantages. Aseptic surgery, sulfa drugs, and improved anesthesia. Introduction of fluids into the body would have been used. Lincoln, shot through the head, could not have been saved today. Garfield would have been helped by sulfa drugs and transfusion. McKinley might have been aided by fluids and transfusions. Their treatment was consistent with knowledge of the time.

Friday—February 18  
Patients who have had tuberculosis present problems. The mental state is of high importance for the future. Some have phthisiophobia—morbid fear of tuberculosis. They have returned to their former surroundings. And, to a limited degree, to their former habits. They are afraid of a recurrent outbreak of the disease. It is advantageous to have periodic examinations. Examinations offer mental reassurance to worried patients. Then there are indifferent patients at the other extreme. They refuse to take after-treatment seriously. They are headed for added illness and usually early death. Mental treatment remains a vital necessity, after tuberculosis.

Avengers Win First Place

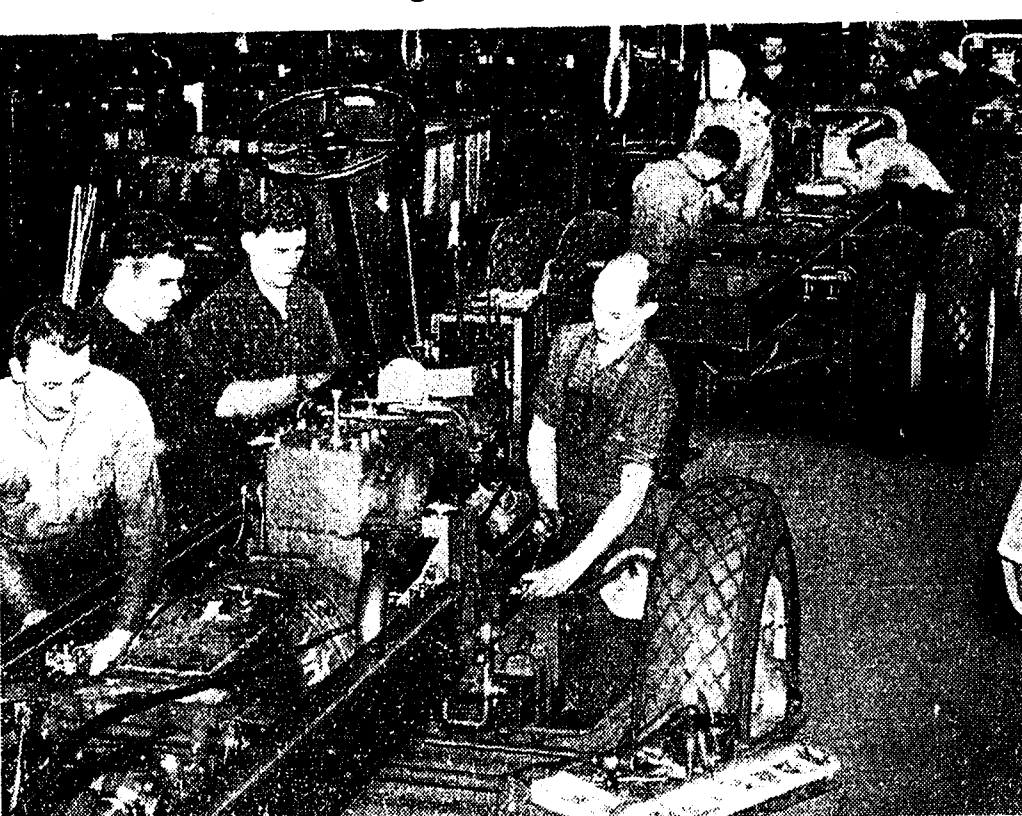

The Avengers, piloted by Carl Schultheis, captured undisputed possession of first place in the Oakmont Civic Association Bowling League last Wednesday evening in the final game. The team, taking three out of four points from the Vindicators with whom they had been tied for the lead in the second half race. It was Elliott Jones who gave the Avengers their advantage. Frank Snively rolled a three game total of 529 with a high single game of 211 to hold the Vindicators in the running and to take individual honors. The Devastators and the Hell Divers also captured three out of four points each from their opponents the B-17s and the Wildcats. Allee Cornog of the Hell Divers took top honors for team while Ed Agnew was tops for the opponents the Wildcats with a three game total of 531 and a 201 single game. Frank Trani came through with a 188 single game score to lead the Devastators in their win over the B-17s. The four highest averages were Horace White, 171; Ed. Agnew, 163; Jim Seiss, 163; W. White, 161.

Bala-Cynwyd Junior High

By GUITA ZIMMERMAN

Honor Day  
Bala-Cynwyd Junior High School observed Honor Day for the second quarter of the year on Wednesday, February 17th. The total number of pupils who received awards was 23, the same as the number who received awards the first quarter. There were some new students who evidently worked harder and attained Honor Roll standards, thus replacing those students who were as fortunate to reach these high grades. These honor students earned a total of seventy points with no mark below "C".

The sixty-two pupils who made the Honor Roll were:  
Ninth grade—Nancy Beane, Nancy Blackwood, Willis Broadhead, Janet Brown, Jean Cowie, Lillian Grainger, Isabel Graham, Elizabeth Hopkins, Nancy Herliach, Dorothy James, Donald Lenten, Gwendolen Stock, Donald Myers, Mary Oliver, Betty Ann Orr, Caroline Perry, Zena Price, Janet Russell, Richard Schneider, Janet Shand, Louise Squire, Harriet Smith, Walton St. Clair, Gwendolen Stock, Donald Townsend, Mary Ziesler.

Eighth Grade—Virginia Armstrong, Suzanne Foote, Ralph Glissen, Paul Green, Marion Harrison, Barbara Henke, Marjorie Hope, Ruth Huizenga, Sally Kennedy, Dorothy Leonard, Virginia Merritt, George Morris, Dorothy Musick, Ruth Parr, Alexander Pugh, Kay Richards, Nancy Salisbury, Ann Schmidheiser, Jeanette Seib, Margaret Smythe, Jeanne Thomson, Paul Weikel.  
Seventh Grade—Sheila Abel, Paul Alpers, Carol Ballagh, Marion Craig, James Dotterer, Jeanette Frese, Glen Gordon, Joseph Frysol, James Hall, Joyce Kemp, Lois Kline, Patricia Kort Kamp, Nancy Leith, Jane Nelson.  
The guest speaker was Warren Cocklin, supervising principal of Upper Merion Schools. He said that that pupils should use good judgment in whatever they do.

Boy Scout Rally  
In honor of Boy Scout Week, Bala-Cynwyd Junior High School set aside one activity period to a 'War Bond Salespoint'.  
By CHRIS OFFENHAUSER  
I'm buying a bond for a freckled kid  
Who lived down the street a way—  
A boy with a dog just a while ago—  
A name on a list today!  
I'm buying a bond for a barefoot lad  
Who only a short time back  
Was romping the fields of the old home town.  
But died in a war attack!

I'm coming across in the memory  
Of youngsters who left the town  
With laughter and jokes and their heads held high  
To take on the scrappers' frown.  
The kids who went down in the swimmin' hole  
Or played in the High School show—  
The boys who'd be out in the sandlots now...  
Except that it can't be so  
I'm signing for all I can take aboard;  
I thought I had done my share  
Until in the home town sheet today  
I saw "Johnny Adams" there;  
He'd brought me my papers every night  
A child on a bike bright red;  
He's riding the path to the house right now.  
I thought... but the lad is dead!  
I've read all the ads in the War Bond drive.  
The work of the writers sick;  
But, God, when I think that it takes that stuff  
It leaves me a little sick;  
The picture of boys on a village green  
Or trooping across the mead  
Who now lie under a cross-filled field  
Is all that we ought to need.  
I listen to speeches o'er mikes  
I listen to all of the War Bond drive.  
But all I hear is the cannon's roar—  
The whine of a power-diver;  
The speeches, the music, the ballshoe  
All leave me a little cold—  
For I know a boy who just died for me—  
And couldn't be quite that old!  
A duty? A noble and handsome act.  
This taking of War Bond? Bunk!  
Since when was investment on sure things  
A sacrifice? Scrap such junk!  
I'm doing a painless and little thing.  
One sales point alone rings true!  
My debt to those lads from the old home town—  
Who asked for their lives, CAME THROUGH!

Knights Quintet Trim Old Rivals

Bala-Cynwyd Coaches Scouted Upper Darby Plays

The Knights scored an unexpected victory on Wednesday afternoon, February 18th, in the gymnasium of Bala-Cynwyd Junior High. They defeated by a margin of six points their annual classic rival, The Minute Men, quintet of the Upper Darby Junior High School, who had a good season until this game was played against Bala-Cynwyd. The score was 22 to 16.  
Coach Harold I. Kline and John Turner, assistant coach of the basketball team at Bala-Cynwyd, put in long hours with the boys, drilling them in the method of Upper Darby Junior High School play.  
For Bala-Cynwyd Junior High, Shepard was again the scoring star, making five field goals and two fouls, for a total of twelve points. Tom Davis was the next highest scorer with two tallies from the court and two from the foul circle, a total of six points.  
Beaumont of Upper Darby Junior High School, and his teammates Stetwagon and Simpson each earned four points.

Players Score

Bala-Cynwyd	G.	F.	P.
Dougherty, forward	1	0	2
Shepard, forward	5	2	12

Simpson, guard	1	2	4

Totals

Knights	7	4	18
Minute Men	1	1	3

The next home basketball game will be played with Haverford Junior High School on Friday, February 18th at the gymnasium of Bala-Cynwyd Junior High School.

Yanks Question German Prisoner

This German, clad in "civvies," was captured near the Italian front by Capt. Richard A. Smith, of Pullman, Wash., who overheard him address his dog in German. The dog was used for messenger service by German troops. Left to right: S/Sgt. Roy Bickn, of Klamath Falls, Oreg., Captain Smith, and Lt. Col. Roy Morre, of Fargo, N. D.

Manoa Donor Day To Be Feb. 24

Manoa Blood Donor Day will be February 24th from 1 to 7 P. M. in the Upper Darby Blood Donor center located at the 69th Street Branch of the American Red Cross, 7055 Garrett Road, Upper Darby. Manoa's quota is "200 pints".  
Appointments for the above hours may be made by calling the chairman, Mrs. George Sparks, Hilltop 2633; Mrs. L. Eyre, Hilltop 5115 of the Manoa Red Cross Headquarters, Hilltop 7162.  
Listed among the donors are 50 persons who have contributed six times with the Manoa Unit.

Manoa Day will be staffed by the Manoa Canteen workers, Mrs. A. R. Beck, chairman, Gray Ladies; Mrs. George White, chairman; Staff Assistants headed by Mrs. H. M. Gensel, chairman of special volunteer services; the Motor Corps, Mrs. M. F. Pennypacker, chairman and the Nurses Aids.

Weekly Health Report

Lower Merion Township reported the following contagious diseases for the week ending February 11:  
Chicken pox, four; German measles, two; measles, one; meningitis, one; mumps, four; pneumonia, three; scarlet fever, three.

Legion Post Will Have Celebration

Manoa Post 687 of the American Legion will hold a "Mortgage Burning" celebration in the Legion Home, February 26th at 8:30 P. M. Russell Pinkerton, chairman of the affair announced at the meeting held Friday evening, that the program would include movies, entertainment, dancing and a buffet supper for Post members and their families.  
C. T. Hausie, commander of the Post outlined tentative plans for the dinner to be given on March 15th in the Club Del Rio in honor of Edward Mulrooney, of Delaware, National Vice Commander of the American Legion which will be attended by Department officers of both the Legion and Auxiliary.  
The Manoa Post will provide entertainment for the Veterans hospitalized at Perry Point Veterans Hospital, Maryland, on March 19th.  
For the last two weeks, the Legion has been collecting scrap paper and old newspapers in various sections of Manoa. Saturday's collection will be made South of West Chester Pike, along Manoa and Eagle Roads, Stanley and Pinzon Aves.

WHY NOT USE OUR FACILITIES?

The National Bank of Narberth

MEMBER OF THE FEDERAL RESERVE SYSTEM

We promise

At the top of every War Bond you buy are these words:  
"The United States promises to pay . . ."  
These may not sound like such brave words. But actually they are the hope of the world!

THEY ARE a promise by the country to its citizens, but also a promise by the citizens to the country and to the people of the world; a promise that obligations recognized and accepted will be paid in full.

The millions of us who buy these Bonds, do proudly and solemnly promise:

- . . . that partial victory shall not breed the kind of weakening over-confidence which can rob us of complete victory;
- . . . that unity shall rise above all squabbles, and differences;
- . . . that this war shall be fought through to a finish with all that we have and all that we are;
- . . . that the sacrifices of today, and the larger sacrifices of tomorrow, shall be accepted willingly, in the

humble knowledge that they are small when set beside the sacrifices of our men who are fighting;

. . . that we will not turn our backs on the rest of the world after victory is won; but will reach out the hand of friendship, and assume our proper share of responsibility in seeing that freedom, equality, and orderly justice become possible for all people, everywhere;

. . . that neither our own fighting men nor any of our allies shall be let down in any way whatsoever now, or in the hard-fighting days to come, or in the peace that will follow victory;

. . . that we, the people, will dig into our pockets, purses, and savings to make the success of the War Bond program a symbol of our determination.

These things we subscribe to. These things we believe in. These things we promise.

WAR BONDS to Have and to Hold  
NARBERTH OUR TOWN

This is an official U. S. Treasury advertisement—prepared under auspices of Treasury Department and War Advertising Council.
